

SCHOOL OF STUDIES IN BIOTECHNOLOGY

SHAHEED MAHENDRA KARMA VISHWAVIDYALAYA

Jagdalpur, Bastar, Chhattisgarh - 494001

Shaping Minds...
Transforming Life through
BIOTECHNOLOGY

शहीद महेन्द्र कर्मा विश्वविद्यालय, बस्तर

Admission
OPEN
2026-27
**M.Sc.
BIOTECHNOLOGY**

2 YEARS PROGRAM | 4 SEMESTERS

Innovate Today, Impact Tomorrow

ADMISSION SCHEDULE 2026

PHASE	ADMISSION DATES	MERIT LIST
PHASE 1	15 June to 24 June	25 June
PHASE 2	25 June to 5 July	6 July
PHASE 3	6 July to 16 July	17 July
PHASE 4	17 July to 26 July	27 July

QUALIFIED FACULTY MEMBERS

→ from →
PREMIER INSTITUTES

- Established in 2012
- Research-Oriented Learning
- Excellent Teaching & Practical Training
- ICT Enabled Classrooms
- Focus on Health, Food, Agriculture & Environment

THRUST AREAS OF RESEARCH

- Microbial Biotechnology
- Plant Biotechnology
- Environmental Biotechnology
- Biofertilizer & Mushroom Technology
- Bioprocess Engineering & Technology
- Drug Development & Bioactive Peptides
- Medical Biotechnology
- Plant & Animal Biotechnology

VISION

To develop holistic, value-based biotechnologists and entrepreneurs who create innovative processes and products for the betterment of society and the environment.

MISSION

- Academic excellence & professional competence
- Ethical scientific practices
- Research-based education
- Advanced theoretical & practical training
- Outcome-based teaching-learning

FUTURE DEVELOPMENT

- Infrastructure comparable to international standards
- Expansion of academic programmes
- Enhancement of research activities
- Strengthening industry linkage
- Collaborations with national & international institutes
- Development of fully equipped tissue culture laboratory

ELIGIBILITY & CAREER PATH

ELIGIBILITY

Bachelor's Degree in Life Sciences / Biotechnology / Related Biological Sciences
(As per University and Government Admission Norms)

CAREER OPPORTUNITIES

- Research Scientist - Biotechnologist
- Industrial & Bioprocess Sector
- Pharmaceutical & Drug Development
- Microbiology & Molecular Biology Research
- Higher Studies (NET/GATE/Ph.D.)
- Agricultural Biotechnology

Explore • Innovate • Excel

BUILDING A BETTER FUTURE THROUGH
BIOTECHNOLOGY

Research • Innovation • Sustainability
